Option A: I am learning on my own

If you want to learn about Hāpara on your own time and at your own pace, use the Workspaces below. Review the learning objectives and choose the Workspace that best fits your goals. Open the Workspace using the link provided and follow the instructions to get started!

Option B: I am facilitating training for others

You can use the Camp Hāpara: On-demand Workspaces to facilitate both asynchronous or synchronous training. Refer to the Camp Hāpara: On-demand facilitator guide for more details.
